Rights Respecting	<b>Article 13</b> (freedom of expression) Every child must be free to express their thoughts and opinions and to access all kinds of information, as long as it is within the law		<b>Article 24</b> (health and health services) Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food, and a clean environment and education on health and well-being so that children can stay healthy. Richer countries must help poorer countries achieve this.		<b>Article 29</b> (goals of education) Education must develop every child's personality, talents and abilities to the full. It must encourage the child's respect for human rights, as well as respect for their parents, their own and other cultures, and the environment
